QUAKE FISSIONS SWALLOW TOWNS

(Associated Press Cable)

CONSTANTINOPLE, Asia Minor, August 11.—At least one thousand men, women and children are dead, five thousand more are seriously injured, untold millions of dollars worth of property has been destroyed, and this ancient city is in ruins and the earthquake and fire which, in quick succession have dealt staggering blows, to the Turkish empire yesterday and the day before.

First reports of the disaster which has visited Constantinople failed to do more than hint at the vastness of the catastrophe. The whole city is a mass of ruins. Old buildings and entire sections have been wiped clean off the face of the earth and their places taken by blackened heaps of tangled wreckage, hiding charred bodies of the hundreds of victims.

Just how many have actually lost their lives beneath the burning buildings it is at present impossible to even estimate but one thousand is believed to be well within them out conservative limits. The injured whose wailings and screams fill the streets, and whose hideously mangled bodies sicken the rescuers, will easily number five times that many.

Nor is Constantinople the only sufferer. From all over the surrounding country come reports of devastation and destruction. Villages have been engulfed, have disappeared leaving hardly a trace. Towns with thousands of inhabitants have been obliterated and the dead toll outside of the city is likely to prove far greater than within.

The earthquake, which started the fire, killed hundreds in Constantinople but the flames did by far the major portion of the damage. As soon as they began to make headway, which they did immediately after the tremor passed, and left the terrified city to take stock of the damage, the authorities began the work of fighting them. From the Yildiz Kiosk, where he had been spending a few days with friends, the Sultan Mehmed V., and his Grand Vizier, Said Pasha, hurried into the city, accompanied by a squadron of the Sultan's bodyguard of Cavalry. Mehmed V. worked furiously all day relieving the situation as far as possible, and seeing that the wounded and suffering were aided as much as possible.

QUAKE FISSIONS SWALLOW TOWNS.

CONSTANTINOPLE, Asia Minor, August 11.—The horror of the earthquake and fire that has devastated this section of the empire is growing as the reports from the outlying cities and towns come creeping into Constantinople. From many of the smaller places within a radius of many miles come reports of enormous fissures, some of them a mile long, which have sprung into being since the tremor shook and racked the earth. Reports declare that into some of these fissures whole villages have disappeared, swallowed up completely.

Among the other towns and hamlets which have been practically destroyed is that of Shatkov, in which, according to the last reports, several hundreds lost their lives. The minister of war, who has taken personal command of the troops which have been withdrawn from the firing line for use in this emergency, has dispatched a body of mounted men under officers to assist there. Other details have been ordered through the country with instructions to give all possible aid and comfort to any stricken men, women or children they may encounter. They are carrying food with them, as well as supplies of clothing and medicine.

In the city of Luleburgaz, great fissures have opened in the streets and the houses. In this section some of the fissures are more than a mile in length, and so deep into the bowels of the earth. Innumerable other surface cracks are reported.

TEDDY PLANS BIG CAMPAIGN

OYSTER BAY, Long Island, August 11.—Colonel Roosevelt issued an important statement today in regard to the proposed campaign of the Progress party this fall, in which he outlined the principle upon which it would be conducted. The statement of principle came as a surprise, under the circumstances, following the attacks which have been made upon the Taft administration.

Eliminating personalities, Colonel Roosevelt asserted that the campaign will be a positive, Progressive fight based on its principles, rather than an attack upon its political opponents. Johnson Will Not Resign.

SAN FRANCISCO, August 11.—Governor Johnson, vice presidential candidate of the Progressive party, arrived in Sacramento today and addressed a large meeting of over a thousand voters. The Governor stated that he did not intend to resign, pending his race for vice president.

Referring to the coming campaign the Governor asserted that he would start for the East within a fortnight to open the campaign in the strongholds of the Regular Republican organization.

date for President, has written to the Democratic leaders in Maine to the effect that he favors local option, but opposes making this an issue between parties.

GIRL SWIMS ACROSS SAN FRANCISCO BAY.
SAN FRANCISCO, O. August 11.—Miss Nellie Schmidt, an Alameda girl, today broke all local records in a sensational swimming feat, crossing San Francisco Bay in the time of three hours and six minutes. Miss Schmidt is the first woman to accomplish this feat. She reached shore in excellent physical condition.

WOLGAST MATCHED WITH M'FARLAND.
NEW YORK, August 11.—After many days of negotiation, a match has finally been arranged between Ad Wolgast and "Paddy" McFarland for the lightweight championship of the world. The match will be fought on October 3, probably in Madison Square Garden.

NO PEACE FOR MEXICO.
CITY OF MEXICO, August 11.—All hopes of a peaceful settlement of the fighting between the forces of General Orozco and the government troops appear to be at an end for the present and officials here are pessimistic over the outlook.

NEW GAMBLING FEATURE IN OAKLAND.
—Citizens of Oakland are aroused over the revelations made of gambling in this city, especially in regard to a new form of gambling upon the result of baseball games. A system of pools has grown up to take the place of the illegal horseracing pools, in which betting upon league and minor league games has been indulged in.

Upon the complaint of officials of the Coast Baseball League, two employees of one of these pool rooms have been arrested, and a systematic campaign against this and all other forms of gambling in this city is planned for the purpose of driving the gamblers, who have recently settled here from San Francisco, out of the city.

CONFESION IN ROSENTHAL KILLING.
NEW YORK, August 11.—Jack Sullivan, better known as the "King of the Newsboys," and whose real name is Jacob A. Reich, held here charged with complicity in the killing of Herman Rosenthal the gambler, has promised to confess his part in the murder and preceding events to the 31st attorney Monday morning. Sullivan is charged with homicide.

Earlier in the day came another development in the investigation following the murder of the gambler. Dispatches from Hot Springs, Arkansas, brought word that Sam Shepps, also wanted in connection with the Rosenthal murder is under arrest, there and will be brought to New York within a few days.

WOODROW WILSON ON THE DEFENSIVE.
SEAGRIT, New Jersey, August 11.—To a crowd of several hundred here yesterday Woodrow Wilson, Democratic candidate for the Presidency, declared that he did not intend to reflect upon any of the foreign element in this country in addresses and essays he has made and published from time to time in the last few years. He asserted that the charge that he was a "hater of foreigners" is untrue.

McLOUGHLIN RETAINS SINGLES CHAMPIONSHIP.
NEW YORK, August 11.—McLoughlin yesterday managed to retain the international championship in the men's singles tennis tournament, defeating Williams in a spirited series.

PEERLESS LEADER CHANGES HIS PLAN.
SAN FRANCISCO, August 11.—It was announced here last night that William J. Bryan, democratic leader, has determined to alter his announced plans of training, Theodore Roosevelt about the country in order to negative any effect the Colonel might have against the Democratic candidate.

TAFT SIGNS BILL.
WASHINGTON, August 11.—President Taft yesterday affixed his signature to the agricultural appropriation bill.

SOCIALISTS AND POLICE CLASH IN SMOKY CITY.
PITTSBURG, Pennsylvania, August 11.—Many persons were more or less seriously hurt, and more than forty arrested in a street fight between the police and the sympathizers of a little band of Socialist speakers last night. The Socialists had attempted to secure a permit to conduct a street meeting, which the city authorities had refused and they proceeded to hold the meeting without the permission. The police were sent to stop the speakers and a small sized riot started. In a few moments the speakers and bystanders took the side of the speakers. The streets were speedily choked with the crowd, traffic was tied up and the police force to call for the reserves. The injured were almost all sufferers from the effects of the police clubs.

"ENEMY" BLOCKADES SAN FRANCISCO AND TIES UP THE FLEET.
SAN FRANCISCO, August 11.—Unless the defenders of the country manage to beat back the invading "Red" Army, San Francisco is "doomed." Under the leadership of regular army officers the combined regulars and militia commands which go into the make-up of the Red Army has landed at Monterey Bay and is in full possession of Sananis Valley. The Blue Army, consisting of regulars and the Utah militia, is rapidly a semblance in defense of the city, which is "attacked" by the Reds, and of the Pacific fleet which is supposed to be bottled up in the bay.

The gunboat Tacoma has been ordered to Nicaragua to protect American interests because of insurrections there.
